

UTTERANCE

From the list of words below please select one from each letter group that speaks to you. Once you have selected the words, please go somewhere quiet and record your voice speaking them. Recording on your phone or other similar device is fine. Please speak the words in a regular, matter of fact way and leave a second or two between each word. If you make a mistake please just repeat the word, there is no need to start over. I offer my sincere thanks for your voice's articulation of these words. Please understand by submitting the recording you make, you are agreeing to me using your voice as part of this installation, which will be exhibited at MAAS in 2017, and may be exhibited in the future at other locations.

A

Annexation, Assembly, Affect, Austerity, Anxiety

B
